## couplet 1

I'm going under and this time  
I fear there's no one to save me  
This all or nothing really got a way  
Of driving me crazy

I need somebody to heal, somebody to know  
Somebody to have, somebody to hold  
It's easy to say, but it's never the same  
I guess I kinda liked  
The way you numbed all the pain

## refrain

Now the day bleeds into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used  
To being someone you loved

## couplet 2

I'm going under and this time  
I fear there's no one to turn to  
This all or nothing way of loving  
Got me sleeping without you

Now, I need somebody to know, somebody to heal  
Somebody to have, just to know how it feels  
It's easy to say, but it's never the same  
I guess I kinda liked  
The way you helped me escape

## refrain

I tend to close my eyes  
When it hurts sometimes  
I fall into your arms  
I'll be safe in your sound  
Till I come back around

And then you pulled the rug
